**Italian Witchcraft** - A lecture on the origins of *The Old Religion* and its beliefs and practices in modern times. The presentation also examines literary and historical materials related to the gathering of witches in Italy that formed the concept of the Sabbat. The absence of the Devil in early references and the politics of the Church that introduced Satan into witchcraft is discussed. Key to the presentation is a focus on ancestral connections and drawing upon energy still emanating from the past

**The Cauldron of Memory** – learn how to connect with the ancestral spirit and draw upon the living memories of your ancestors. The presentation focuses on the use of cords that serve as a shamanic tool known as the Sacred Tree. Attendees will experience a guided imagery meditation taking them to the ancient cave of the ancestors. Here everyone encounters the Cauldron of Memory and learns about the three inner cauldron centers of mind, body, and spirit.
